My dear Mr. Noe:-

The entry of the American Numismatic Society has not been dropped from the December first issue of the Art Bulletin because Your Art Gallery is of such importance that I am loath to omit it.

Mr. Archer M. Huntington who, I believe, is a member of your Board, has offered to bring up at the next meeting the value of support for this co-operative publication.

Yours truly,

Florence N. Levy

Director.

Dear Miss Levy:

I have your letter of December 1st, and will place it in our folder to be presented at the meeting of the Governors next week so that there may be a decision made regarding the matter.

Very truly yours,

Secretary
